Position Description:

Implement ecological restoration and enhancement projects in Surrey parks by removing invasive plants, maintaining planting sites, removing litter and refuse, and providing shade tree maintenance. You will report to a Field Team Leader in this field-based position. This position is primarily focused on invasive plant removal & restoration plantings.

Duties:

- Ensure work is completed in a safe and efficient manner
- Communicate with the public as an ambassador of SNAP and our partner organizations
- Assist the Field Team Leader with data collection and daily record keeping
- Other related duties as required

Desired Qualifications:

- Some post-secondary study in a related field such as urban forestry, geography, arboriculture or environmental studies or experience in outdoor work and invasive species removal
- Demonstrated willingness and ability to perform repetitive, physical work in all weather conditions
- Strong interpersonal and communication skills
- Ability to lift and carry up to 30lbs
- Knowledge of ecological principles, familiarity with local native and invasive plants and common shade trees
- Provide steel-toed boots
- Valid BC driver's license with a safe driving history, and willingness to submit a driver's abstract
- Valid Level 1 First Aid certification (or willingness to obtain prior to the start of employment)
- Completion of a Police Information Check will be required as a condition of employment

To Apply:

- Submit a cover letter expressing why you are interested in the position and how you meet our required qualifications
- Submit a resume that clearly outlines your relevant work and volunteer experience
- Ensure the subject line of your email reads "Field Team Member – [first and last name]"
- Send your application to: snap.program@gmail.com, **interviews on rolling basis and hiring candidate as soon as possible.**

While we appreciate all interest, only those candidates selected for an interview will be contacted
