

## **SNAP Field Team Leader**

### **Green Timbers Heritage Society**

**Term:** September 6<sup>th</sup> – December 2<sup>nd</sup>, 2022

**Hours:** 37.5 hours/week, Monday – Friday, with potential for some weekend and evening work

**Pay:** \$22.35 plus 4% in lieu of vacation

**Location:** Surrey, BC

### **About Surrey's Natural Areas Partnership:**

Surrey's Natural Areas Partnership (SNAP) is a unique partnership between three local non-profit organizations and the City of Surrey. SNAP's goals are to restore and enhance Surrey's urban forest; to promote environmental stewardship; and to empower youth as future leaders in environmental conservation.

For more information on the SNAP program, visit [www.surreynaturalareaspartnership.com](http://www.surreynaturalareaspartnership.com).

### **Position Description:**

Lead and implement ecological restoration and enhancement projects in Surrey parks by removing invasive plants, maintaining planting sites, removing litter and refuse and providing shade tree maintenance. You will report to the SNAP Program Coordinator and supervise one or more team members in this field-based position. This position is primarily focused on invasive plant removal and restoration plantings.

### **Duties:**

- Assist with the supervision, training and evaluation of team member(s)
- Ensure work is completed in a safe and efficient manner
- Maintain accurate daily records, track project deliverables and provide updates to supervisors
- Communicate with the public as an ambassador of SNAP and our partner organizations
- Other related duties as required

### **Desired Qualifications:**

- Some post-secondary study in a field such as urban forestry, geography, arboriculture or environmental studies
- Demonstrate willingness and ability to perform repetitive, physical work in all weather conditions
- Supervisory and/or leadership experience
- Strong time management and organizational skills
- Strong public relations, interpersonal and communication skills (written and verbal)
- Ability to lift and carry up to 30lbs
- Knowledge of ecological principles, ability to identify local native and invasive plants and common shade trees
- Provide steel-toed boots
- Valid Class 5 BC driver's license (or equivalent) with a safe driving history, and able to submit a driver's abstract
- Valid Level 1 First Aid certification (or willingness to obtain prior to the start of employment)
- Completion of a Police Information Check will be required as a condition of employment

### **To Apply:**

- Submit a cover letter expressing why you are interested in the position and how you meet our required qualifications
- Submit a resume that clearly outlines your relevant work and volunteer experience
- Ensure the subject line of your email reads "Field Team Leader – [first and last name]"
- Send your application to: [snap.program@gmail.com](mailto:snap.program@gmail.com), **interviews on rolling basis and hiring candidate as soon as possible.**

While we appreciate all interest, only those candidates selected for an interview will be contacted
